

FOR THE ATTENTION OF PRINCIPALS, ACADEMIC COORDINATORS, AND PARENT GROUPS

*A note to every parent who ever thought, "my child is just not a maths person."***There is no such thing as a child who cannot do maths.**

The children called "good at maths" are not smarter. They got the right guidance at the right age: sometimes by luck, sometimes by the teacher they happened to have, sometimes by the parent who had time to sit with them.

Every other child, labelled slow, weak, or "not a maths person", is that same child, with that same potential. **GanitVeer exists to find the moment of attention that lights it.**

**WHAT IS GANITVEER**

India's national online mathematics championship for children aged 5 to 10. One short paper: about 20 minutes of questions inside a 60-minute window. Every child sits from home, on any device, with a parent beside them. No school permission, no coaching, no syllabus.

The questions reveal how a child thinks about numbers, patterns, and problems, not what they have been taught to repeat. A child who has never seen a maths olympiad can sit this paper with confidence.

FORMAT

Online, from home, any device

WINDOW

60 minutes · ~20 min of questions

FEE

₹590, all inclusive of GST

HOW IT WORKS**1 Parent registers**

ganitveer.com/register. Child's details, then ₹590. Instant confirmation. No school account.

2 Familiarisation

Practice questions by WhatsApp before the day, so the style feels familiar, not so a child must prepare.

3 Exam from home

Phone, tablet, or laptop. A parent may sit beside the child and read questions aloud.

4 Skill report

Within 7 days, every child receives a private report by skill area, not a single total mark.

5 A gift, posted home

A hands-on mathematics puzzle is delivered to every registered child within 30 days. Every child.

6 Winners on merit

Top scorers win fixed cash prizes. No lucky draw. No committee. Marks decide.

FIXED PRIZE POOL · ₹1,00,000

CHAMPION

1 child

₹50,000**ACHIEVER**

5 children

₹10,000 each

On merit only. The pool does not grow or shrink with registrations. No public ranking. TDS as applicable.

WHAT MAKES IT DIFFERENT**• Built so a school can simply share**

Parents register at home. You are welcome to support. There is no extra administration for the school.

• A skill report, not a rank

A rank says 47th. It does not say what to do next. The report does.

• Every child receives something real

The gift and the report go to every child who sits the paper.

• Private by design

Results are never published on a leaderboard. The report stays with the family.

**FOR SCHOOLS****GanitVeer Allies**

Thank you for looking after so many young minds. If you share this with your families, that is already a gift. Parents register at home, so your teachers are not asked to collect fees or run the exam. If a good number of your children take part, we would be honoured to recognise the school as a GanitVeer Ally, with a formal award to keep and display. ganitveer.com/allies

WITH OUR THANKS

Please pass this to your parent WhatsApp groups and the notice board, if it feels right. Families register themselves.

GANITVEER PLAYTIME

Just your child, a quiet Sunday morning, and a result they will want to share.

PlayTime is a free Sunday quiz for children aged 5 to 10. Every Sunday in September, 4 to 5 fun mathematics questions go live at ganitveer.com/playtime at 9:00 AM IST. The window stays open until 9:00 PM IST.

No fee. No school letter. No pressure. Questions appear one by one. A parent can read them aloud. The child taps an answer. No timer.

Two doors. Same house.

HOW PLAYTIME WORKS

1 Parent registers

ganitveer.com/playtime. Names, age, WhatsApp. Free. Instant. No payment of any kind.

3 Instant result

Full marks unlock a designed result card with the child's name, ready to download.

2 Child answers

Four to five questions on screen. A parent may read them aloud. The child taps. No timer, no stress.

4 Share and enter

Post the card on Instagram, tag and follow @ganitveer. The child's photo is not required.

EVERY SUNDAY · 3 WINNERS

₹1,000 each

Lucky draw among eligible full-marks entries. Winners announced every Tuesday by 9:00 PM IST on Instagram Story and WhatsApp. UPI within 5 working days.

MOST CREATIVE REEL · 1 WINNER

₹3,000

Judged on originality and warmth, using the result card. Child verification required for collection. TDS as applicable.

WHY PLAYTIME EXISTS

The Championship on 18 October is a real exam, with real prizes and a real skill report. PlayTime is the Sunday before all of that: a chance for a child to feel what GanitVeer questions are like, with no stakes and no fee. Many families then register for the Championship. That is the natural next step. It is never the requirement.

ONE MESSAGE. NO SPAM.

PlayTime parents receive one WhatsApp about the Championship. That is the only message we send. We do not sell numbers to anyone.

Championship is sat from home. A parent may read the questions aloud. No school invigilation.

Every child receives a private skill report within 7 days, by area of thinking, not a rank.

A hands-on mathematics puzzle is posted to every registered child within 30 days.
