1. Forward the parent brochure

Send the separate parent brochure to your parent or learner groups.

2. Help parents name your institution

Ask families to enter its official name and city accurately and consistently when registering.

3. Let families register directly

No fee collection or exam hosting for you. Families can participate even if your institution does not reach an Ally tier.

Explore free PlayTime with families

PlayTime is separate; its entries do not count towards Ally tiers.
