RECOGNISING MATHEMATICAL THINKING

₹1,00,000

Fixed total cash prize pool

1 Champion

₹50,000

5 Achievers

₹10,000 each

Awarded on performance with published tie rules. The pool is fixed regardless of entry count. Amounts are gross; applicable tax deductions and terms apply.

Know before joining

Ages 5-10 on exam day. One common paper across the age range.

Use a smartphone, tablet, laptop or desktop.

Parents register directly; participation is voluntary.

Results stay private: no public leaderboard. The report reflects one attempt, not your child's overall ability.

ALSO EXPLORE | FREE PLAYTIME

A little maths together.

Five questions for children aged 5-10 and their parents. A separate free activity, not Championship registration.
